

Manual court rental system

Register

If you would like to make a reservation for the first time you need to register once. Enter your name and contact details to register. After this is done an e-mail will be sent to your e-mail address to set a password for your account.

Log in and request password

Once you've logged into your account you can make a reservation. You can log in by clicking the "Sign in" button in the menu. In case you've lost your password you can recover it by going to the "Sign in" page and clicking on the button "Forgot password". Fill out the e-mail address of your account and we will send an e-mail to set a new password.

Making a reservation

To make a reservation you can find an available time slot on the "Availability" page. Available time slots are displayed as green blocks. You can select the desired time slot by dragging and dropping. This is done by holding the left mouse button, dragging across the fields you wish to select and letting go of the left mouse button. It is also possible to do this directly through the page "Reserve". Here you can enter a specific date and time to make your reservation.

Help, I can't log in?

Unless you have received an error message when trying to log in this could have two reasons:

1. You do not have an account yet. If you visit the booking system for the first time and want to make a reservation you need to register. Click on register to make an account.
2. Your password doesn't work. Maybe you have forgotten your password. Click [here](#) to request a new password.
